Written Interview Questions

Please respond in depth to the following interview questions. Faculty who review your answers will be evaluating your writing skills as well as your answers. Please answer the questions using Microsoft Word and submit your responses via email as directed.

Evaluators will use a scale of 0 (not qualified) to 5 (exceptional) to score each response.

1. Describe why you chose to apply to the WSU Post Master’s DNP program and how this program is best suited to meet your educational and professional goals.

2. What personal attributes will you bring to the DNP program?

3. What affect will having the DNP degree have on your present nursing practice or role?

4. Briefly discuss a current health care issue that you believe is important and that will affect the provision of health care services in the future.

5. Describe a clinical decision involving a client, you once made, that you now would make differently.

6. Describe an experience with persons who were socially or culturally different from you and how this affected you professionally.

7. Please add any information, not already apparent from the application, that you would like the admissions committee to consider.
